

Passion for Jesus, Compassion for People

What a great summer we are having at JPM! Since June, we have ministered to over 100 different children at our summer camp, had over 100 VBS volunteers and held an Urban Vibe Outreach. We are also seeing adults in the community being touched by God! Here are a few stories:

SHEILA. A few months ago we met Sheila, just after been released from prison. She began to bring her kids to Bible Camp. As we talked with her, she shared that she had given her life to Jesus while incarcerated. However, she was concerned about how she would do once she was out. Since then, we have had several opportunities to pray with her. Recently she has been knocking on the door asking for prayer and has also been attending church with us. She is hungry for God and we are believing that God will continue to draw her closer to Him as she seeks Him!

BRITTANY. Last year, one of our

camp kid's parent, Brittany was going through a difficult time. She was angry, depressed and running from God. To our disappointment, she decided to pull her children out of Summer Camp. Several of you joined us in prayer, and we began to see her heart change. A few months later, she brought her kids to back to Camp! She recently has asked us for our help with personal needs and asked for prayer for a job. We have seen God respond to those prayers, next week she has her 2nd interview! Please pray that God continues to minister to her and that her life be touched!

We want you to rejoice with us in these testimonies, because it is with your help that we are seeing lives transformed by God!

"With God, I can do all things! But with God and you, and the people you can interest, by the grace of God, we're gonna cover the world!" (A. S. McPherson)

BACK 2 SCHOOL outreach!

Our 3rd Annual Back 2 School Outreach is just around the corner. Last year we had a great turnout with over 400 people attending. We were able to provide 225 kids with school supplies and new backpacks.

This year's outreach will be on August 4th. We are expecting a similar turnout and are planning to provide backpacks and school supplies for 250 kids. In addition to the supply giveaway, we will be serving food and sharing the gospel. We will also have a time of ministry praying specifically for the children and their upcoming school year as well as for their parents!

REACHING THE COMMUNITY

• Impact NOLA!

Once again we are working with missions teams from around the country to *Impact NOLA* with the gospel. We are partnering with Mission Lab, A.I.M and several churches to help serve our community through service projects, Bible Camp and evangelism.

• Evangelism Outreaches

Community Outreaches are some of our favorite times of ministry. Recently we partnered with All Nations Fellowship for the Summer Urban Vibe Outreach. Several people received ministry for healing, hope and salvation.

• Summer Bible Camp

Summer Bible Camp is going great. This is our third year of ministry to the children of NOLA. We have seen great growth in this ministry. Last year we averaged about 25 kids, this year we are averaging 45 kids. Its amazing to see the kids returning from last year and watch them growing in the Lord!

• Friday Night Youth

The Friday Night Youth ministry continues to grow. We are ministering to about 20 youth from the area. Our deep desire is to see their lives given over to Christ daily, through discipleship, mentoring and study of the Word.

• Senior Citizen ministry

We continue to minister to some of the most needy in our community...our senior citizens. Recently our teams helped clear out the yard of a disabled woman and paint her porch. We also helped plant a garden for an 80 year old reverend who just began a new bible study in his home.
