## Passion for Jesus, Compassion for People

*Lift up your eyes and look at the fields, for they are already white for harvest. (John 4:35)*

We are excited about this season in God. We are walking by faith, working the field that God has given us and believing for His great and mighty works in our city. Daily we are reminded to "lift our eyes and look" for there are opportunities all around us to share the love of Christ with the hurting, lost and needy. We are so grateful for your prayers and support. Together we are making a difference!

### Saturday Kids Church

Saturday Kids Church in Hollygrove resumed after a short winter break. God's grace and power has been revealed to the children who attend and their lives are being transformed before our eyes!

They are learning the Word of God, learning how to pray for each other and for the sick, and how to be witnesses. What a joy to see these children take hold of the promises of God for their lives!

### Summer Bible Camp

Beginning June 7th, we will be partnering with Mission Lab and Adventures in Missions for nine weeks of Bible camp. This event reaches needy children & youth in the community, who have little to do during the summer months. Last year we ministered to nearly 100 kids during the Summer Camp. We also had over 100 volunteers give their time and resources to provide this free ministry to the community. We have seen entire families give their lives to Jesus through this Camp. We are anticipating more fruit this year as we are expecting an increase in attendance. Please pray for God to move in their lives.

### Making a Difference

*Most weekday afternoons, I am in Hollygrove at the Jesus Project Ministries room, serving healthy snacks, playing educational games and helping kids with their homework, from kindergarten to 5<sup>th</sup> grade.*

*In Matthew 25, Jesus said, "Whatever you have done for the least of these, you have done it for me." What a joy to serve the Lord by feeding our kids strawberries and grapes and apple slices! Not only do I have a heavenly reward, but the smiles on the children's faces make me want to come back!*

*A good education can mean the difference between a life of poverty and a future full of opportunity. Many of the children we help lack the foundations for good learning.*

*My prayer - and the reason I love to go to Hollygrove every week - is that we can make a difference in the lives of these at-risk children.*

*Sarah H.*

### Reaching the Community

#### Good Friday Fish Fry

This past Spring brought a great opportunities to reach the community with the love of Christ.

Our annual Good Friday Fish Fry was a success! This year we partnered with All Nations Fellowship in the Freret neighborhood, where we served nearly 200 people in the community. It was a great time of one-on-one ministry as we prayed and ministered to many.

#### H-grove Easter Outreach

We held an Easter Outreach for the children in the Hollygrove neighborhood. Many of the children learned for the first time the true meaning of the "Easter" holiday; the resurrection of our Savior, and it was their first encounter with Jesus.

## INTERNSHIP PROGRAM

We are excited to offer a great opportunity to those who desire to serve and learn in a hands-on inner-city ministry.

Internships are available for those who are committed disciples of Christ.

Short and long term internships are available for 3, 6, 9 months and 1 year.

## Testimony: Don't Judge

*Home visits are one of the ways we reach out to the parents of our camp kids. We are not always successful, or so we thought during a recent visit. As we passed by to visit Jay, one of the moms, she seemed indifferent about life, including her daughters. It was difficult trying to talk to her, and her attitude was so unresponsive that we thought we had offended her. As we left her porch, we prayed that God would soften her heart towards Him, her daughter and us.*

*Weeks had passed, and early one morning there was a knock on our door...it was Jay. "I'm here for prayer", she said. Nervously, she confessed to us that she had to appear in court for a serious charge, and she needed Jesus to help her. As we laid hands on her and began to pray, tears began to stream down*

*her face and her heart began to soften. She left encouraged and has kept us updated on her situation. Jesus continues to work in her heart and we now have an open door to continue to minister to her.*

*It was amazing to see God working in her heart. We were greatly encouraged to find that God had actually opened the door to her heart, when we thought she slammed it shut! We learned not to judge by outward appearances, but to trust the Lord of the Harvest.*

*Please join us in praying for her salvation & growth in Christ!*
